

# Nolan R. Behr, DDS

**D**r. Nolan Behr and his professional staff have a mission: *To provide clinical excellence with compassionate care to create an exceptional patient experience generating a positive impact in each patient's life.* Gentle treatment, integrity, honesty, and compassion are the foundation of the practice. The team members at Nolan R. Behr DDS emphasize building relationships with their patients and one another to help patients achieve good dental health and sustain it. Dr. Behr has been serving the Colorado Springs community as a general dentist and practice owner for over 30 years.

Dr. Behr was born and raised in Iowa. He attended the University of Iowa for his undergraduate education and dental training. He earned his dental degree in 1989 and moved to Colorado Springs in 1990. Dr. Behr remains a Hawkeye fan. He was dental director of the Community Health Center alongside his private practice early in his career and assisted in the development of the current clinic. He coached youth sports while his four children were involved in hockey, baseball, and football. He continues to contribute to the Colorado Springs community through Donated Dental Services, and through his church. He is dedicated to helping those in our community who are most in need.

Dr. Behr applies his 30+ years of experience while embracing new technology, offering same day crowns utilizing CEREC technology. He and his team excel at helping people with complex dental needs along with general and preventative dental care for the whole family. He is part of the Colorado Prosthodontic Society and has been involved in study clubs throughout his career, including the advanced restorative FACE course. Continuing education is a priority, along with excellent and compassionate care by each member of the team.

In his free time, Dr. Behr enjoys skiing, biking, and serving in church ministry. He and his wife, Jeannie, have four children. Dr. Behr is honored and humbled to be selected by his peers as one of Colorado Springs' Top Dentists.
